

29 April 2016

Dear Parents / Carers

I am writing to invite your child to come and help us during our Summer School. We are offering an exciting Summer School to Year 6 children coming to the Academy in September and existing Year 7 students. The aim of the transition summer camp this year is to get to know one another better and foster a spirit of team work which underpins all that we do at the Academy.

The programme for the week is as follows:

Date	Activity	Venue
Monday 1 August	Team Building	The Macclesfield Academy
Tuesday 2 August	Jodrell Bank	The Macclesfield Academy
Wednesday 3 - Friday 5 August	Multi Activity Holiday	PGL Winmarleigh Hall

The week will start here at the Academy at 9:00am on 3 August and all children taking part are expected to attend for all five days. The start time on Tuesday 4 August will also be 9:00am and students can be collected on Monday and Tuesday at 3:30pm. Students will require a packed lunch Monday, Tuesday and Wednesday. Please let us know about any special dietary requirements when completing the permission slip.

The field visit to Jodrell Bank will enable children to experience first hand a world class centre of science and technology which has been at the forefront of space exploration for the last 50 years.

The multi activity holiday on 3 - 5 August will be a residential at PGL Winmarleigh Hall, where students will enjoy a wide range of outdoor activities. Students should arrive at school on Wednesday 3 August at 10:00am; we will leave for Winmarleigh Hall at 11:00. We will return to school on Friday 5 August at about 4:00pm.

The Summer School has been subsidised by the Academy for Year 6 students due largely to grant funding we have obtained from the Cheshire Police and crime Commissioner for transitional purposes. There will be no charge for the helpers.

Yours sincerely

Laura Halsall
Deputy Headteacher
