

PARENTS' FORUM

Thursday 3rd May 2018

7.00-8.00pm

Refreshments served from 6.45pm

**'How can I help my child with their maths and English' –
What's it all about?**

The evening is aimed at the parents / carers of students in Years 7 and 8. You are invited to come along with your son or daughter to get practical help and advice on preparing for exams and assessments in maths and English

**Miss Boulter (Head of Maths) and Miss Hart (Head of English)
will be hosting the evening**

- The main focus will be on how you can help your child to prepare and progress at home
- You will get a chance to speak to staff and get the latest course information
- You will be informed of the best support materials to use

To reserve a place please complete and return the reply slip below, or contact the Academy Main Reception on 01625 383100
