

Events Operations Management

Academy intent statement	In Events Operations Management we	In order to:	Progress
<p><i>Be knowledge based, accessible and aspirational for all students</i></p>	<ol style="list-style-type: none"> 1. Support learners up to level 2 who want to learn about this vocational sector and the potential it can offer them for their careers or further study. 2. Inform students about the vast and varied employment opportunities in the events management industry. 3. Develop the reading skills and interest of students by using fiction books to investigate and plan future events. 4. Develop understanding of the Events Management Industry and people through questioning visitors from industry. 5. Develop empathy and tolerance through the planning and delivery of events in groups 6. To develop confidence in issues related to health and safety, finance and customer service, all of which are useful for learners who decode the industry is not for them. This understanding is transferable to lots of other industries. 7. Develop skills such as administration, communication and planning as well as transferable skills of problem solving organisation and time management. 	<ol style="list-style-type: none"> 1. Ensure that there is no glass ceiling and that past under performance does not prevent future underperformance in preparing them for the world of work. 2. Empower students to reflect upon their future aspirations and careers. 3. Ensure that students leave school with a functional reading age, fluency and an interest of reading 4. To inform and aspire regarding the skills needed to organise events and learn first-hand what it is like to work in the Events Management industry. 5. To develop the British Values of Tolerance and understanding and mutual respect. 6. Develop the fundamental ability to work alongside other professionals in a professional environment. 	<p>In place</p> <p>In place</p> <p>In place</p> <p>In place</p> <p>I</p> <p>In place</p> <p>In place.</p>
<p><i>Enable students to make choices to keep themselves safe and well</i></p>	<ol style="list-style-type: none"> 1. Develop students' communication skills 2. Provide opportunities for debate and discussion about a range of important topics for modern life. 3. Experience exciting challenges which prompt discussion and ultimately engage students in reflection 	<ol style="list-style-type: none"> 1. Enable students to communicate effectively and develop skills that will make them independent adults and employable. 2. To enable students to make informed decisions when faced with dilemmas in modern life. 3. Engage students in reflection and the to take key strategies back into the classroom and community 	<p>In place and under review</p> <p>In place and ongoing.</p>

***in achievement and
independence***
