

4th May 2021

Dear Parents /Carers

I hope you are well. We are thrilled that you have chosen The Macclesfield Academy for your child next year. I am writing to inform you about our exciting summer school for our Year 7 coming to the Academy in September 2021. As you know, our children have missed a great deal of schooling due to the pandemic and for this reason we are expecting all children to attend in order to aid their transition here at secondary school.

The programme for the week is as follows:

Monday 9 th August	Maths , including a Maths Lego workshop
Tuesday 10 th August	English / Humanities including Erdig's National Trust story teller Jake.
Wednesday 11 th August	Science including a visit from Crazy Scientist - a virtual reality workshop.
Thursday 12 th August	Outdoor Education delivered by Kids Kabs.
Friday 13 th August	Outdoor Education delivered by Kids Kabs.

The week will start here at the Academy at 9.30am on Monday 9th August 2021 and finish at 2.30 and these timings will repeat for the remainder of the week. We are expecting the week to be a great opportunity for students to start to feel at home here at The Academy.

Please follow link to complete the form regarding Summer School.
