

FAO: Year 7 parents

Dear Parent,

24th September 2021

Re: Year 7 parent touch base event, 430-530 on Thursday 30th September

May I begin by thanking you for your support in making the start to the year so successful. Year 7 students have the best attendance of all year groups, with 100% attendance on several days. Their conduct around school and engagement in lessons has been exemplary.

As part of the induction process, we have a Year 7 'touch base' meeting on Thursday 30th September. This is an opportunity to

- Hear from me about the culture, vision and values for the school
- Understand your child's Year 7 curriculum from Mrs Halsall
- Have Teams training with Mr Laverick
- Meet Dr Skarratt, SENCO, and hear about our SEND support
- Meet Mrs Locke, our pastoral leader for Year 7

We will then break into form groups to meet your child's form teacher for 30 minutes to ask any general questions. If you wish to contact your child's form teacher after the event, we will make sure you have their email address to enable longer term flow of information.

We hope you can join us on the 30th and look forward to welcoming you into our fantastic school.

Yours,

Mat Galvin
