

October 2021

Dear Colleague

Thank you for your interest in the post of Teaching Assistant at The Macclesfield Academy. The Academy is a successful and expanding 11-16 school serving a diverse community in South Macclesfield.

We are looking to appoint someone to join our dedicated team of staff who provide additional classroom support to pupils in our school. We need Teaching Assistants with the ability to care for and inspire our students. We want to prepare our students with SEN for adult life by maximising the achievement of each and promoting their independence within the Academy and beyond. The person we appoint will ideally have successful previous experience of working with students with SEN in a secondary school setting. Most important though are the personal qualities of integrity, positivity, drive and commitment to each and every one of our students.

If you are motivated by making a difference to children's lives, thrive on pushing yourself and your colleagues to achieve more whilst being nurtured as part of a dedicated community, we would love to hear from you.

Application is by TES/Standard application form and should include a supporting statement demonstrating how you meet the requirements for the post. Please ensure that you provide details of two referees. **The deadline for applications is 9am on Wednesday 20th October 2021.** Curricula vitae or open testimonials will not be considered.

The selection process will include the qualifications and ID checks required for us to undertake a full disclosure DBS check.

Please do not hesitate to contact me by email via the Headteacher's PA Lara Nolan lara.nolan@macclesfieldacademy.org if there is any aspect of the post or the selection process you would like to discuss.

Yours faithfully

Mathew Galvin BSc, MEd, PGCE, FCCT
Headteacher
